

One-on-One Pitch Critique Session *While spaces last.* (additional \$40)

Think you are ready to contact agents about your work? This one-on-one session with an agent will make sure your letter and pitch are perfectly polished.

You will have 20 minutes with an agent who will critique your inquiry and give you pointers on how to frame your letter for the best response!

Please send in a copy of your inquiry letter and a brief paragraph describing your work, just as you would to an agent.

You will be notified of your pitch critique time at the Conference.

Materials must be submitted by Sept 9, 2016 to Hacker@HCPLOnline.org.
